ORANGEVILLE

FOREWARD

Within the pages of this book you will view the memories of the students of Orangeville High. We hope you will read them with care, and share the same joys that we had in making them. Often in future times may we look back with a sigh at those carefree experiences of our younger days in school.

STEPS TO SUCCESS

Success may be found at the top of a hill,
So climb for it, you must--you will.

Success is only a few steps away,
So strive for it--you must right away.

Start climbing up step by step;
Don't turn back or begin to fret.

Though the way may be rough and very gory,
Keep going and going till you reach your glory.

You may get caught on shrubs and branches,
But just keep going and don't take chances.

Be careful, be cautious, don't lose your way,
Because in the end, it just won't pay.

Keep hoping and praying and doing your share,
And never stop until you are there.

Some may succeed, and others may fail;
But you'll succeed if you stay on the trail.

Don't waste your time on waiting for luck,
For sure as may words your bound to get stuck.

Keep on trudging and stay on the slope,
Don't lose your courage--but keep up your hope!

Though you may stumble, and be delayed for awhile,
Start back on the path, with a great big smile.

So again I tell you, don't look to the side or behind,
But keep on climbing with the ticking of time.

For is you remember to keep on your way,
Success will be yours, and with you it will stay!

Senior History

This year 38 wise and industrious seniors returned to O.E.S. - 60 left behind six of our last year's class. We elected our officers as follows:

President
Vice President

Treasurer

Student Council

Ronald Cronau
Mary Daughenbaugh
Nancy Shoemaker
Eugene Shaffer
Alta Kubatzke
Gene Muethrich

We presented our senior play "Little Sweetheart" in November. It was a big success, and we enjoyed doing all the work connected with it.

We are proud of our basketball stars. Eugene Shaffer, Elmer Wess, Edwin Schmid, Julius Untersee, Gene Muethrich, and Ronald Cronau represent our class on the varsity squad. Glenn Pinnow helps the B's along.

Four seniors were again elected cheerleaders. Delmar Smith, Arlene Sowards, Sally LaBorde, and Oneta Dinges were again chosen to let loose with the yells.

We are well represented in the "O" Club, G.A.A., F.H.A., F.F.A., Glee Club, Band, and the Teen Talk Staff. Many of the seniors are officers in these groups. In the "O" Club Gene Muethrich is the president, Eugene Shaffer is the secretary, and Edwin Schmid is the news reporter. In G.A.A., Jackie Monahan is the president and Arlene Sowards is the treasurer. Oneta Dinges and Mary Daughenbaugh are the student council members. Sally LaBorde is the president and Angalou Hemphill is the student council member from F.H.A. The officers of F.F.A. are, Gene Muethrich as president with Gilbert Koenig as vice president. Darrell Pusjain is the treasurer with Glen Pinnow as secretary and Arnold Fryer as reporter. Eugene Shaffer is president of the Band with Mary Daughenbaugh as vice president and Oneta Dinges as reporter. On the Teen Talk Staff Nancy Shoemaker is the editor with Arnold Fryer as reporter from the F.F.A. and Edwin Schmid the reporter of sports.

We wish to express our thanks to our advisers and teachers for all the help and knowledge they have given in the past four years. Of course they had to use strategy sometimes, but we are glad now they did.

So, underclassmen, good luck to you. May you have all the experiences we have had.

Junior Class History

Here we are juniors! Well we are--juniors. To prove this we have our class rings of which we are very proud. We think they are the nicest rings we have ever seen. Indeed we have high hopes of becoming seniors another year.

In 1937 the central high school had 33 juniors. In 1938, the year we started in high school, we had 33. This year we total 33 in high school. New members Dick Fos and John Jordan, who entered from Wichita.

Our officers for this year are:

| | | |
|------------------|-----------|-------------------|
| President- | - - - - - | Gwenolyne Gill |

Our class advisers are Mrs. Kane and Mr. Shaffer.

This year Larry Currier and Richard Jensen both made the varsity basketball team while John Jordan and Dale Bertalot played on the "B" team.

Both the F.F.A. and the F.H.A. are well supplied with members in our class. We are represented by some of our class members in Class Club, G.A.A., G.O. Club, and in A.S.T. These clubs are active in school activities. F.F.A. officers are President-John Gill; Treasurer-June Halliday; Secretary-John Jordan; and in G.O. Club; President of Student Council-Dick Fos; Vice President-Larry Currier; and F.H.A. Officer-Richard Jensen. Members who are reporters on "Teen-Talk" Staff, a new project in school, are Paul Foster-Richard Jensen; Editorials-Elaine Askey; Gossip and G.A.A. news-Jackie MacKenzie.

At present we are busy picking out a play to be presented early in the spring. It will be our first great undertaking, and we hope it turns out successfully.

SOPHOMORE HISTORY

We, the sophomore class, having lost our greenness and passed the teething stage, now have our eye on making history.

As freshmen starting in high school, we number fifty-one. This year there are forty-two of us back and seven newcomers.

This year, as sophomores, we have the privilege of initiating the "greenies" of "99". We're sure that any of the freshmen will tell you that it was a very pleasant initiation!! They gave us a roller-skating party in return.

The officers for the class this year are:

| | | |
|------------------|-----------|------------------------|
| President- | - - - - - | - Albert Goetz |
| Vice President- | - - - - - | - Gene Jordan |
| Secretary- | - - - - - | - Sue Moore |
| Treasurer- | - - - - - | - Caryl Jean Frautschy |
| Reporter- | - - - - - | - Allen Fehr |
| Student Council- | - - - - - | - Ruth Shelton |
| | | - Loral Metz |

Our class adviser is Mr. Keulen.

We are proud to say that six boys from our class--Keith Schony, Allen Fehr, Lyle Bertalot, Gene Jordan, LeRoy Daughenbaugh, and Ray Bowen--are on the "B" team. Gene Jordan was also the slugging shortstop on our softball and baseball teams.

There are two cheerleaders from our class also. They are Ruth Shelton and Shirley Scheider.

Our class is well represented in other activities. Caryl Jean Frautschy is degree chairman of F. H. A. and vice president of the section; Shirley Scheider is secretary of F. H. A. Carol Folgate is vice president of G. A. A., and Marlene Scheider is point recorder of G. A. A. There are twenty-five from our class in the band.

Freshman Class History

Greenie; Greenie;
Trying hard to learn,
You needn't learn the fire drill,
Cause you're too green to burn!

That's what the upper classmen said to us when we entered high school. Oh! That first day. It was terrible. Where to go; what to do; and when to get there. The first couple days it was terrible, but later on we got used to it, and they got used to us.

There were 47 of us when the school year started. In the middle of the third six-weeks we lost Donald Nopenschwander, boy from Perreton came Merlin Kraft. Yes, now the freshmen girls did sit at, and soon over him, but the excitement is over, and Merlin is now part of our class.

The freshman class is very proud of the boys that are making good on the basketball team. There are six from the class and they look like real material. Harold Ault, Bill Teuscher, Donald Huber, Leo Zimmerman, Ray Reed, and Jim Huber. There are 5 from our class in band, 17 in girl's glee club, and 6 in boy's glee club.

About the second week of school we elected officers. They are as follows:

President--Norma Shippy
Vice President--Connie Russell
Secretary--Rosie Woest
Treasurer--Bob Huber
News Reporter--Bill Teuscher
Student Council--Patsy Clarno and Leo Zimmerman

What are freshmen without an initiation, and we were no exception. Our last was October 7th, and what a day! Previous to this occasion, in every corner you could find two or three sophomores talking about it. A look of reverence in their eyes kept us wondering what they were planning. When the day did come it wasn't too bad, but plenty of us had sore feet the next day.

To express our gratitude for being accepted, the freshmen gave a skating party for the sophomores on November 10. Everyone had a wonderful time and we, as freshmen, are proud to be part of Orangeville High School.

7th And 8th Grades

There are 33 pupils in the 7th and 8th grades with 17 in the eighth and 16 in the seventh grade. This year 15 pupils from the Oneco school came to Orangeville.

We have 5 members in the band. They are Dorthy Busjahn, Shelby Reeser, John Osenga, Mary Anderson, and Mary Stabenow. Patsy Brookover, Jo Ann Hurless, Shirley Holland, and Bob Blankenhorn play in the Junior Band. Lelores Reeser is one of the head majorettes, and Vaughn Wilson also twirls.

On Nov. 20 we had a Halloween party. Games were played, and the most exciting one was a treasure hunt won by the seventh grade. There was a prize for the funniest dressed boy and the funniest dressed girl. These prizes went to Arlene Jordan and Bill Schmid. After all games were over refreshments were served.

For our part in the Christmas program we gave a short play, "Junior's Christmas' Lime", with the cast as follows:

| | | |
|-----------------------|-----------|-------------------|
| Junior Stanton- | - - - - - | -Bob Blankenhorn |
| Barbara Stanton- | - - - - - | - Mary Stabenow |
| Patricia Fenniwickle- | - - - - - | -Patsy Brookover |
| Don- | - - - - - | -Donald Bennehoff |
| Carl- | - - - - - | -John Osenga |

We played five softball games, losing the first one to Lena, and winning the remaining four. Lena won the county title and we were in second place.

So far we have played nine basketball games this season. We have won five and lost four. Two games we lost by one point and one game by two points. Our team has scored 172 points, while our opponents scored 127.

Our room was second in the magazine sales, having lost to the sophomores who were given a party on school time. Dorthy Busjahn was high salesman having sold \$22. Robert Blankenhorn was the second high salesman.

BAND

The officers for the year are as follows:

| Librarians | Marie Hemphill |

When our director, Mr. Kitzert, first came to Orangeville High School three years ago, there were fifteen members playing in the band. Today there are ninety-three persons taking lessons on instruments of some kind. There are fifty members in the A Band and forty-three in the B Band. There are many grade school students coming in from the country and are learning how to play. By the time they are in high school, they should be able to play quite well and to start playing in the A Band sometime before they even get to high school. Mr. Kitzert is a good influence, and they try very hard to please him with their playing.

Besides the many concerts and programs the band has given in the past year, it has played at the Loran Fair and also the Stephenson County Fair with the combined Indiana and Dakota bands. The three together gave a very good concert at the fair.

The mothers of the band members got up a club called the Band Boosters' Club, which has helped the band considerably. The club bought caps and uniforms for the band and has done many other wonderful things for the band.

The band will participate in the Music Festival at Orangeville this year. It will probably also take part at the Memorial Day Service at Cedarville and Orangeville. This summer the band is going to go to the Chicago Music Land Festival at Chicago in the middle of August.

Marie Hemphill: "Mr. Kitzert takes things apart to see why they don't go."

Elmer Wyss: "So what?"

Marie Hemphill: "So you'd better go."

Judge: "Have you ever been up before me?"

Glen: "I don't know, Judge. What time do you get up?"

Tommy: "How long could I live without brains?"

Miss Perkins: "Time will tell."

Pa Helor: A man who has been crossed in love. A married man is one who has been double-crossed.

There were 22 girls and 37 boys that joined glee club this year.

One summer he studied at St. Olafs Choral Directing School at River Forest, Illinois. He spent one summer at the Vandercook school of Music. He is now finishing his degree there. For eight years he was with the Chautauqua and Lyceum Company work out of Cincinnati. Then for sixteen years he taught chorus in public schools.

GIRLS ATHLETIC ASSOCIATION

Tuesday Sept. 27, 1949, there was a mass meeting held in the gymnasium for the purpose of organizing a G. A. A. club. This club was organized to further the girls' interest in sports. The number of girls in our organization is 73.

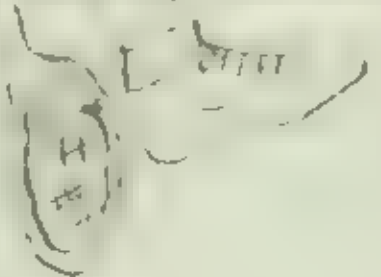

The following officers were elected:

| | | |
|-----------------|-----------|-------------------|
| President | - - - - - | Jeanne Monehan |
| Vice President | - - - - - | Carol Folgate |
| Secretary | - - - - - | Petty Lou Johnson |
| Asst. Secretary | - - - - - | Caryl Frautschy |
| Treasurer | - - - - - | Arlene Sowards |
| Asst. Treasurer | - - - - - | Beth Ann Gross |
| Points | - - - - - | Marlene Scheiker |
| Assistant | - - - - - | Sally LaBorde |

Some of the requirements ~~to be fulfilled by each girl to~~ obtain an award are scholarship, sportsmanship, and physical ability. The freshmen are eligible to win a class numeral; sophomores, a school letter; juniors, a chenille block; and the senior, an Illinois map emblem.

Some of the activities that the girls engage in are group sports, hay rides, hikes, and picnics. The members are encouraged to bring guests.

It was voted to have \$1.00 a year dues. The girls have found that participation in this club has sponsored more sportsmanship and friendship among themselves.

LIBRARIANS

At the beginning of the year four students were selected by Miss Kleppinger, who is in charge of the library, to aid her in checking books out and in and making up the "when due" and fine lists. The school library days were Monday and Wednesday.

Later it was decided to have the library open each school day so that it would be a better asset to the student body as a whole. In order to carry out this change, eleven additional students were asked to assist the librarians originally chosen. A working schedule was then made out for the librarians so that they could be working during free periods.

The librarians received a "Library 0" at the end of the school year as a symbol of their service.

To raise a little money the librarians sold pins made from purple and gold felt circles under a small leather basketball with the letters O.N.E. on them.

Officers were chosen as follows:

President-Beth Ann Gross
Sec. Treas. Merla Mains

The librarians for this year are:

Loraine Besser
Carol Folgate
Vernice Upward
Mildred Craft
Joan Cole
Merla Mains
Beth Ann Gross

Earlene Mays
Barbara Marty
Ruth Shelton
Shirley Schneider
Carol Schulz
Leis Schulz
Ramona Zaugg

Lector Pines: "Young man, can you support a family?"
Richard Jensen: "Well, no, sir. I was just planning to support your daughter. The rest of you will just have to shift for yourselves."

Miss Perino: "Here you see the skull of a chimpanzee, a very rare specimen. There are only two in the country--one is in the national museum, and I have the other."

Student Council

Our problem has been to help create more student participation in school activities in order to meet the needs and interests of the student body of Orangeville High School.

This council is represented by a boy and girl from grades 9 through 12 by democratic election. The elected members under the guidance of Mr. Keuler, their sponsor, elected the following officers of the Student Council:

| | | |
|--------------------|----------------|-------------------|
| President----- | Junior----- | Richard Jensen |
| Vice President---- | Senior----- | Alta Kubatske |
| Secretary----- | Junior----- | Katherine Shelton |
| Treasurer----- | Senior----- | Gene Wuethrich |
| Reporter----- | Sophomore----- | Ruth Shelton |

The council sponsored the magazine drive and the school sold more subscriptions than any other year, \$1,300, of which we received \$600. Forty per cent went to the annual fund to help reduce the per student cost. Another forty per cent went to two projects, a movie program and a magician act.

To alleviate the noon hour scramble in the gym the council sponsored four noon-hour movies which were run from 12:15 to 12:45 three days each week. In addition to this we tried unsuccessfully to establish a recreational program outdoors and in the gymnasium.

The Student Council also sponsored an all-school Halloween party with Woody Fulkerson calling the square dance. A lunch was served after the dance. The Christmas program was initiated by this council with the grade schools and high school giving short plays.

In regard to keeping the school and grounds clean, the council maintains a neat bulletin board in the study hall and committees for picking up loose paper and mislaid books. These committees were picked from violators of school policy.

Other suggestions have been handed to the president. Plans are now being made for a continuation of democratic leadership and participation in student needs and interests.

F.H.A.

The Future Homemakers of America is the national organization of home living students in junior and senior high schools of the United States and Territories. Future Homemakers of America is a non-profit youth organization. It is organized through the cooperative efforts of the school, the home, the church, and the community. The purpose of the organization is to help the girl in her own home life for its members and their families.

Of the 6,100 chapters in the United States, Illinois has 503 chapters and over 20,000 members.

The Future Homemakers of America brings together state groups interested in and working toward better home and family living, provides opportunities to share in solving problems important to home life, and sponsors group projects local, state and national in scope; it increased opportunities for the development of leadership and intelligent participation so much needed in a democratic society.

Every one of the sixty-six members of the Orangeville chapter is proud to belong to this organization and is working to carry out the purposes and goals of the organization.

The activities for the year included a formal initiation of twenty-one new members, a square dance called by "Woody" Fulkerson, a mother-daughter banquet at Panjo Petek's restaurant in Kenosha, a formal tea, a picnic at White Lines, and an annual trip to Chicago. The F.H.A. helped us sponsor a day activities carnival, social dance, and a roller skating party. To finance the above activities we sold hot sandwiches at noon and ice cream at the basketball games.

Caryl Jean Frautschy represented our chapter at the I. H. A. camp at Lake Monona for a week last summer. Our chapter also sent two representatives to the sectional rally at Lena in April, and five representatives to the House of Delegates meeting at Pearl City in October, at which Caryl Jean Frautschy was elected vice president of Section 22.

Our club was guided this year through the efforts of:

The fat stock judging team, consisting of Darrell Busjahn, Charles Roderick, and Claire Wichmann, also placed in the contest finals. The teams that get into the finals must be among the top ten teams in the state. The poultry team, which consisted of Gene Jordan, Robert Wild, Martin Meinert, Laurel Metz, and Ray Bowen, placed sixth in the sectional contest. Robert Wild placed fifth in the individual ratings. The grain team, of 1949-'50, placed second in the sectional contest. It consisted of Marlin Lietmeier, Eugene Upward, Allen Fehr, Orville Schwarze, Thomas Bordner, and Robert Bolender. Thomas Bordner placed 5th in the individual ratings.

We also entered the Program of Work Contest and placed fourth among the eighteen schools of the section.

Some of the other activities for the year are water testing of rural schools, herd testing, pest eradication, seed germination tests, improvement and productive projects, and participating in the public speaking and parliamentary procedure contests.

Our means of making money for the treasury has improved. We rented a chocolate milk dispenser; thus the students can help themselves. In addition we sold pop at the basketball games and at noon.

Junior Class Play

We chose The Daffy Dills, a farce by Jay Tobias for our class play. It was presented April fourteenth and fifteenth.

The story centers around the Dill family, Richard Dill, who had lost his wife three years before the opening of the play, is living with his mother and four children. When the play opens, he has married a second wife, and hesitates to acquaint his family with the fact. When he leaves hurriedly for Chicago on a business trip, he leaves a note to inform his family of the marriage and a letter for his new wife who is expected to arrive that day. His mother and children who object greatly to a stepmother decide to make life miserable for her. Having been informed about these plans by a nosy neighbor, Cousin Maude, who also arrives the same day, decides to impersonate the new wife, who is her old friend and teach the family a lesson. She tops their tricks with some far worse with the result that when they learn who their real stepmother is, they are led and willing to accept her whole heartedly. TEEN TALK

Teen Talk

In order to make the school news material more interesting and colorful, the students initiated a project. After much discussion, they decided to have a page in the school paper; called it "Teen Talk" for the boys; and a page for the girls called it "Teen Talk" for the girls. The members of the staff were elected on a volunteer basis.

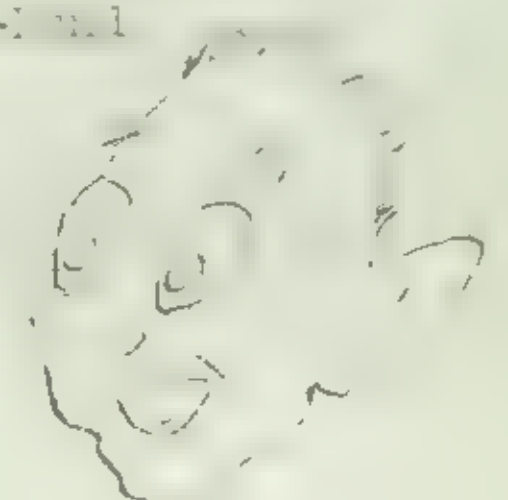

The "Teen Talk" staff is made up of students who are interested in the school news. They will be collecting news from the classes, the class news, news on sports, and other news. HUMORS

"Say, Pop, did you go to Sunday school when you were a little boy?"

"Yes, son---regularly."

"I'll bet it won't do me any good either."

Glen Pinnow: "I don't seem able to tell my garden plants from weeds. How do you distinguish between them?"

Mr. Hefty: "The only sure way is pull 'em out. If they come up again, they're weeds."

Miss Faist: "Handsome men are always conceited."

Bob Monehan: "Not always. I'm not."

Mr. Shaffer: "What is density?"

El Schmid: "I can't define it, but I can give you an illustration."

Mr. Shaffer: "The illustration is good. Sit down."

Miss Faist: "What is the difference between caution and cowardice?"

Gene W: "Caution is when you're afraid and cowardice is when the other fellow's afraid."

Bernice B: "Last night my date asked me to marry him and make him happy."

Molly A: "Which did you decide to do?"

Virginia Lee dived into the swimming-pool exclaiming. "Gee, I wish it was Wednesday."

"How come?" asked Dick T.

"Cause," said Virginia, picking herself up, "they put water in the pool then."

Miss Kleppinger: "If there are any dumbbells in the room stand up."

A long pause, then Howard Wolf stood up and Miss Kleppinger asked him if he considered himself a dumbbell. Howard Wolf then said, "Well, not exactly that, mam, but I hate to see you standing all alone."

There was once a young man who told his girl friend he's never seen such dreamy eyes before. To which she replied, "You haven't stayed so late before."

THE "O" CLUB

In its second year as an organized club of Orangeville High School the "O" club sponsored the Athletic Banquet in the Orangeville Gym Tuesday night, April 18, 1950.

This was a "pot luck" banquet in honor of the Orangeville Athletes, Cheerleaders, Cheer Mothers and Fathers and all boosters of the Broncos.

OUR TEAM

Lets give our team a great big yell;
I'm sure you think they all did swell,
With their mind set to win every game
They're out to give our school a name.

Our "B" team has been swell this year;
We're always there to give them a cheer.
Whenever a basket is made on the floor,
The kids start yelling, "We want more."

Look at our "A" team, they are on top.
Whenever they get started they just can't stop,
Till they made every basket they possibly could.
And still they knew right where they stood.

Now for Coach Keuler, who jumps up and down
He goes through motions without making a sound.
Maybe it helps the boys to win, who knows
But with him for a Coach, the team really goes.

Katherine Shelton

OUR COACH (KEULER)

Mr. Keuler, you know has been one swell guy;
There is hardly anything he ever lets go by.
From morning until night he's always on the go;
If there's anything on his mind, he'll let you know.

He likes to chew gum while coaching a game;
I don't think without that he could be the same.
He can take it if we win or if we lose,
and for any game he's the one they always choose.

Katherine Shelton

We are the Seniors of Orangeville High
Stopping at last to say "Goodbye",
We all have had four wonderful years
And we hope our leaving will cause a few tears!

We know we've been naughty and trying at times,
(Although we put time in to pay for our crimes)
But we hope our dear teachers will not heave a sigh
When we take our last steps from old Orangeville High.

I know we'll miss schoolmates and studies a bit,
That guy in the third row was always a wit,
And someday we'll probably wish we were here,
Yelling for baskets and giving a cheer.

But time passes quickly and soon we must go
To leave room for juniors that follow, you know.
Our futures are bright and our banners are flowing
So come on, you Seniors, we'd better get going.
